Key Version Updates

- Minor updates to match Cayuse SP 3.9
- Combined processes for simplification
Getting Started

1. Use Mozilla Firefox for best results.
2. Login to: [https://ucdavis.cayuse424.com](https://ucdavis.cayuse424.com) with your Kerberos ID and Password.

3. Select “Cayuse SP (Sponsored Projects)”.

Is a New Internal Processing Form (IPF) Needed?
Sponsored Programs (SPO) requires Internal Processing Forms (IPFs) for proposal, post-proposal and award actions requiring approvals/authorizations from the department chair(s) and/or dean's office(s). The following table outlines various proposal and award actions and the Proposal Type to select on the IPF, if a new IPF is required. *(Note: This table only reflects the relevant actions for the Sponsored Programs office. Other reviewing offices may use additional IPF type.)*

Table 2: Investigator/Research Team Role Definitions
**Cayuse SP Auto-generated Numbers**

Cayuse SP creates identification numbers for each Project, Proposal, Award and Subcontract/Subaward.

1. **Project Number**
   a. Created by Sponsored Programs. Your Sponsored Programs analyst will assign each Proposal and Subcontract/Subaward to a Project. Awards are created from Proposals and assigned to a Project.

2. **Proposal Number**
   a. Created by Cayuse SP when the Proposal is created.

3. **Award Number**
   a. Created by Cayuse SP when the Award is added to the Project. The Award Number is the Project Number plus three digits at the end that indicate the number of Awards in that Project. The first Award is the Project Number-“001”, the second is the “Project Number-002” and so forth.

4. **Subcontract/Subaward Number**
   a. Created by Cayuse SP when the Subcontract/Subaward is added to the Project. The Subcontract/Subaward Number is the Project Number plus three digits at the end that indicate the number of Subcontracts/Subawards in that Project. The first Subcontract/Subaward is the “Project Number-S001”, the second is the “Project Number-S002” and so forth.
Requesting Exception to Principal Investigator Status
Submit requests for exception to policy on eligibility to undertake sponsor research and other sponsored activity in Cayuse SP.

1. Complete and obtain the appropriate signatures on Form 105: Request for Exception to Policy on Eligibility to Undertake Sponsored Research/Other Sponsored Activity.
   a. The requestor/applicant must sign the form.
   b. If the exception request is for a student or post-doc, identification of and signature by an Academic Senate member who will have overall responsibility for the project or program is required.
   c. If Form 105 is submitted after routing the IPF for approval, the relevant unit head/department chair and dean, if applicable, must also sign the form.

2. Upload the signed form as a Proposal Attachment in the relevant IPF.

3. The request for exception will be reviewed as part of the SPO review process. If the request is approved, the SPO analyst will upload the approved form as a Proposal Attachment in the relevant IPF.
Proposals
A new Internal Processing Form (IPF) is required for all proposals submitted to Sponsored Programs. Follow the general instructions below when creating a new Internal Processing Form unless otherwise noted. Refer to our Proposal Preparation and Submission webpage for more information on the proposal process, requirements and resources.

Quick Reference
1. Start a Proposal.
2. Complete or view the status of a Proposal you started or on which you have an interest or are key personnel.
3. View Proposals in your unit that were initiated by someone else (requires appropriate access/permissions).

8. Sponsor submission method (i.e.; Email, website, etc.)
9. Sponsor deadline and date you want the proposal submitted to the Sponsor if different than the official deadline
10. Project Title
11. Number of budget years
12. F&A Rate(s) (determined by activity)
13. Are animal or human subjects involved? If so, is there IACUC/IRB protocol?
14. Location (i.e.; Building, laboratory, etc.) where the activities will occur
15. If there are outgoing subawards: Contact information for the Subrecipients
Necessary Documents
At a minimum, the following documents must be provided for an IPF/Proposal to be assigned to a Sponsored Programs’ analyst for review. To ensure a full review by Sponsored Programs, submit the following documents at least five (5) business days before the sponsor deadline.

1. Completed and full routed IPF, including:
   a. Lead Principal Investigator and Co-Principal Investigator Certifications
   b. All relevant unit head and dean, if applicable, authorizations.
2. Scope of work (Note: A draft may be submitted, but the final Scope of Work must be provided to SPO before submission to the sponsor)
3. Budget spreadsheet, strongly recommended even when not required by the sponsor. (Note: Consider using our Budget templates.)
4. Proposal budget justification, strongly recommended even when not required by the sponsor.
5. If there are Subawards: Subrecipient Budget and budget justification, scope of work, biosketches, subrecipient monitoring form and appropriate Subrecipient Commitment Form from the institution(s) (Note: Visit our Subawards webpage for detailed instructions and PI/Department Admin Checklist.)
6. If your proposal involves the School of Veterinary Medicine, also upload the Adjunct SVM Questions form. (Note: Contact the SVM Dean’s office to request the form.)

SPO also suggests uploading any other required internal documents for the project before routing the Proposal for review and approval.

1. Form 105: Request for Exception to Policy on Eligibility to Undertake Sponsored Research/Other Sponsored Activity before submitting for routing to avoid needing to obtain signatures from the unit head and dean, if applicable.
2. Cost-sharing commitment letters

Other proposal materials may be provided after assignment, if necessary. Refer to our Proposal Preparation Checklist to ensure all items are provided in the proposal package.
Creating and Submitting Proposals, including Supplemental Proposals

1. Select “Start New Proposal” under My Dashboard. (Note: Do not copy previous proposals.)

Open relevant documents such as the grant solicitation, project summary and budget spreadsheet to easily copy and paste into the form.
2. General information tab: Complete all fields for which you have information even if not indicated as required with a red *.
   a. Complete the Sponsor Information section.
      i. Select the Sponsor.
         1. Select the magnifying glass.

2. Enter part of the sponsor/funding agency name and select “Search”.

3. Select the sponsor/funding agency from the list.

4. If the sponsor is not listed, repeat the search again and select “Miscellaneous Sponsor”. Provide the sponsor/funding agency’s information in the Submission Notes. Do NOT select “No Sponsors”.

The Sponsor is the agency/organization to which UC Davis is applying. If the funding is flow-through, such as when UC Davis is a Subrecipient, list the Prime Applicant/Recipient in the Sponsor field.
ii. Funding Opportunity/Sponsor application No.: Enter the Funding Opportunity/Sponsor Solicitation Number, if applicable.

![Sponsor Information table]

iii. Sponsor Program Name: Enter the Sponsor’s Program Name, if applicable.

![Sponsor Information table]

iv. Proposal Guideline URL: Enter the website address of the proposal guidelines, if applicable. Upload the program guidelines in the Proposal Attachments tab if they are not available online.

![Sponsor Information table]

v. Prime Funding Agency: Select the Prime Funding Agency if the proposal is for a flow-through funding (i.e., UC Davis is applying as a Subrecipient). Leave this field blank if the proposal is not for follow-through funding.

![Sponsor Information table]

The Sponsor and Prime Funding Agency are NEVER the same entity.

b. Complete the General Proposal Information section.
i. Admin Unit: The Admin Unit is the unit that should get credit for the award.
   1. Place your cursor in the text field and click/select.
   2. Enter part of the unit’s name or the unit code.
   3. Select the appropriate unit.

ii. Primary Administrative Contact: This Primary Admin Contact is the person that the Admin/Reviewing Office (e.g., Sponsored Programs or the UC Davis Health Clinical Trials Contracts Office) should contact regarding the proposal.
   1. Select the magnifying glass.
2. Enter the admin contact’s last name and select “Search”.

![Search admin contact last name](Enter the last name of the person you are looking for: Last Name Only: admin Search Cancel)

3. Select the administrative contact’s name.

![Select admin contact](People Search (choose the person by clicking the name) Admin Amie OVCR - Sponsored Programs)

**NOTE:** The Proposal Owner will automatically generate after the General tab is saved. SPO will assign the Proposal to a Project as part of our review.

![Proposal Owner](Admin Unit Sociology Primary Administrative Contact: Amie Admin Proposal Owner: Amie Admin)

iii. Short Project Name (*Note: This field is an internal identifier and aids in the SPO assignment process.*)

1. Enter the [Sponsor Deadline or the date Admin Office review is requested by in MM/DD/YY format] [Principal Investigator Last Name] [Sponsor] (e.g. “03/15/2020 Apple NIH”)

![Short Project Name](Short Project Name: 03/15/2020 Apple NIH)

iv. Select the Project Start Date and End Dates. (*Note: use the calendar icons to ensure you use the proper date format.*)

![Select project dates](Project Start Date: 01/01/2021 Clear Project End Date: 12/31/2024 Clear)
v. Select the Activity Code. See Table 3 for Activity Code definitions.

vi. Select the appropriate Proposal Type from the dropdown list. See the Proposal Types table.

For submissions to Graduate Studies, select “New – Graduate Studies”.
For submissions to the UC Davis Health Clinical Trials Contracts Office, select “New – UC Davis Health”.
All other Proposal Types route to SPO.
1. Select the appropriate Instrument Type/Award Mechanism from the dropdown list.

vii. Select the Submission Method.

viii. Enter the Sponsor Deadline information.
   1. Select the date from the calendar.
   2. Enter the time due in Pacific Time, 24-hour format (i.e., 5:00 pm = 17:00) and select “Pacific”.
   3. Select if the deadline is based on “Postmark” or “Receipt”.
ix. Enter the full Project Title.
   b. Select “Save”.

b. Select “Save”.

"Does drinking coffee increase work productivity?"
c. After saving the General Information page, tabs will appear to the left. (Note: A green checkmark will display when each section is complete.)
3. Complete the Investigators/Research Team tab:
   a. Starting with the Lead Principal Investigator, add all Key Personnel and others that need edit access to the Proposal or view access to the Award.
      i. Select the magnifying glass next to the “Last Name Only” field.
      ii. Enter the person’s last name and select “Search”.
      iii. Select the person’s name.

      Add the Proposal Owner (creator) as a Proposal Editor if they also need access to any associated awards.

      Contact our Help Desk (ORCayuseHelp@ucdavis.edu) if the person is not listed.

      iv. Ensure the Unit listed is the unit associated with the individual’s effort.
v. Select the individual’s Role on the project. See Table 2 for Role definitions. The only Roles not required for IPF Authorization from the relevant unit are “Proposal Editor” and “Other Participant – No Routing”.

To change the unit, place you cursor in the unit field and select the appropriate unit from the list. Do NOT select a unit indicated as “Non Admin/Home” or that includes the language “(Use #####)”. Instead, find and select the unit code listed in parenthesis.

vi. Add the individual’s Person-Months effort.

Select the Hyperlink to access a person months’ calculator based on the appointment type base (9, 11 or 12 months) and the percent effort committed to the project.

vii. Enter the person’s **Sponsored Effort** and **Cost Shared Effort** (if applicable).

Enter 0% Sponsored Effort if the salary included in the proposal is not determined from effort committed and no effort is being committed.
Enter Allocation of Credit for the individual and select “Save Personnel”.

“Allocation of credit” demonstrates the contribution of the senior personnel for a specific project. This data will be used for ad hoc reports from campus leadership regarding investigator productivity and contribution to campus research. These reports are often requested in the context such as retention, space allocation and invitations for panel discussion participation, etc.

“Allocation of credit” must equal 100% across all Key Personnel entered here. Otherwise, Sponsored Programs will allocate the credit equally across the lead principal investigator and co-investigators.

b. Review the “List of Personnel” for Accuracy. Select “Edit” to make any necessary corrections. Accuracy of this list is critical for appropriate routing and approval. Errors here will delay the proposal review and potentially the submission.

Remember that all units listed here will require authorization from their IPF Approvals unless the associated role is either “Proposal Editor” or “Other Participant – No Routing”.

4. Complete the Budget tab. A complete budget form is required for mandatory reporting requirements.

Use information from your completed proposal budget spreadsheet. Unselect “Use Calculated Values” if there is more than a $1 difference in the budget category amounts and manually enter the amounts from the budget spreadsheet.

Refer to our Preparing a Proposal Budget Toolkit for instructions on preparing a proposal budget, and consider using one of the OR Budget Templates to prepare the project’s detailed budget.

a. Select the “Summary” Budget Form.
b. Select the total “# of Budget Periods” for the entire project.

c. Select the first proposed period Start and End Dates under “Current Period”.

Comments: (512 chars max)

1. Indicate if the proposal includes Cost Sharing
   i. If there is no cost sharing, select “No” and skip to step 4.e.

Cost Sharing

For Internal Cost Sharing: please select “Ini Cost Sharing” as the unit, enter the total amount of all internal cost sharing for the Period and then for Project Total and upload the cost sharing commitment letter(s) in Proposal Attachments.

   [Radio buttons: Yes, No]

ii. Select “Yes” if the proposal includes cost sharing. The entry fields for Internal and Third-Party Cost Sharing will appear.

Cost Sharing

For Internal Cost Sharing: please select “Ini Cost Sharing” as the unit, enter the total amount of all internal cost sharing for the Period and then for Project Total and upload the cost sharing commitment letter(s) in Proposal Attachments.

   [Radio buttons: Yes, No]

iii. Select “Add Unit” under Internal Cost Sharing (if applicable).
iv. Complete the pop-up window/entry form as follows and select “Add Unit”.
   1. Unit field: Search for and add “Intl Cost Sharing (99999)”.
   2. Period Total: Total amount of internal cost sharing for the first period.
   3. Project Total: Total of internal cost sharing for the entire project.
   4. Commitment Type: Select “Mandatory” or “Voluntary”.
   5. Match Type: Choose “Cash Matching” or “In-Kind”.
   6. Account: Enter Account number to be charged if known or “TBD” if unknown.
   7. Comment: Enter the commitment details.

Do not include cost-shared effort. Upload an email or letter of commitment as described in the guidance for submitting proposals/IPFs that involve cost sharing.

v. Select “Add Organization” under Third-Party Cost Sharing for each external organization committing cost sharing (if applicable).
vi. Complete the pop-up window(s) as follows and select “Add Organization”.
   a. Organization: Find and add the organization. If the organization is not listed, select “Miscellaneous Sponsors” and provide the details in the Comments field.
   b. Period Total: Total amount of internal cost sharing for the first period
   c. Project Total: Total amount of internal cost sharing for the entire project
   d. Commitment Type: Choose “Mandatory” or “Voluntary”
   e. Match Type: Choose “Cash Matching” or “In-Kind”
   f. Account: Enter “TBD”.
   g. Comment: Enter the commitment details and, if “Miscellaneous Sponsors” was selected, the organization’s contact information.

Letter(s) from the person(s) authorized to commit the cost sharing resources must be included as Proposal Attachments. View Guidance for submitting proposals/IPFs that involve cost sharing to determine the necessary documentation.
e. Complete the F&A Rates section.
   i. Select the F&A Rates for the Current (first) Period and the Entire Project period.
   ii. Select/click in the F&A Rate (1) field (required).

<table>
<thead>
<tr>
<th>F&amp;A Rates</th>

<td>0.00%</td>
<td>0.00%</td>
</tr>
</tbody>
</table>

* The Effective Rate is for reporting purposes. To report different rates than those calculated, uncheck the box and enter the percentage values.

iii. Select the appropriate F&A rate from the list.

f. Complete the Budget Categories section. The fields below are required, as applicable.

Hints and Tips: If the F&A Rate is not listed or the sponsor does not allow F&A, enter the correct rate and select “Change Rate”. Upload documentation regarding the sponsor’s F&A (indirect) Rate policy as a Proposal Attachment.
i. Enter the Sponsor Direct Costs and F&A Bases for the Current (first) Period and Entire Project period.
ii. Indirect (F&A) Costs and Total Project Costs will auto-calculate.

Uncheck “Use calculated values” if the calculations do not match your budget and enter the correct amounts. However, check your calculations if the difference is more than $1.

g. Complete the Additional Resources section.
   i. If resources outside the administering unit will be used, select “Yes” and complete additional questions.
   ii. If no additional resources will be used, select “No”.
   iii. Select “Save”.

5. Complete the Financial Conflicts of Interest in Research tab.
a. Review the various disclosures to determine which need to be completed by the investigators.
b. Select “Yes” to indicate that the investigators have filed or will file the applicable COI Disclosures in the e-COI system.
c. Select “Save”.

Consider leaving this tab for the Lead Principal Investigator to complete to ensure they are aware of the FCOI responsibilities. The disclosure must be filed before the Admin/Reviewing Office approves the proposal for submission to the sponsor/funding agency.

6. Complete the Regulatory Compliance tab.
   a. Select “No” if the project does not involve Human Subjects. Select “Yes” if the project does involve Human Subjects and complete the additional questions as follows.
      i. Indicate if the IRB application(s) were/was submitted to IRB Net.
      ii. Enter the applications numbers if known or “TBD” if unknown.

   b. Complete the Animal Subjects section.
      i. Select “No” if no vertebrate animals are involved in the project. Select “Yes” if vertebrate animals are involved and complete the additional questions as follows.
1. Enter the IACUC protocol/application numbers involved in the project. Enter “pending” if the IACUC numbers are unknown.
2. Enter the species involved.

c. Complete the Hazardous Research Materials Section.
   i. Check all that apply or none if there are no hazardous materials involved.
d. Select “Save”.

7. Complete the Subrecipients tab.
a. Select “No Subcontractors” if the project does not involve any outgoing subawards.

b. If the project involves outgoing subawards, complete the following steps for each subaward/subrecipient.
   i. Search for and select the subrecipient(s) in the Subcontractor field. If the subrecipient is not listed, select “Miscellaneous Sponsor”, and enter the Subcontractor Name and contact information in Submission Notes. Do NOT select “No Sponsors”.
   ii. Select “Add Subcontractor”.
   iii. Once all Subrecipients are listed, select “Authorize Subcontractor List”.

Upload all required documents for each subaward as Proposal Attachments. See our Subawards webpage for details on submitting a proposal with subawards.
8. Complete the Foreign Activity tab.
   a. Indicate if the product involves conducting proprietary research that may have a potential military application.

   * Does the project involve conducting proprietary research with a potential military application?
     - Yes
     - No

   b. Answer the questions regarding foreign activity, including any additional questions based on your selections.

   2. Does the project involve:
      * a. Sending, transporting, transmitting, or carrying any material or equipment outside the United States (examples include: computers, GPS, biologicals, diagnostic kits, reagents, or data)?
         - Yes
         - No

         * i. Please provide the following information about the material or equipment: (1) Export Method; (2) Description; (3) Recipient; (4) Intended End Use; and (5) Anticipated Export Date.

         1) Travel on airline
         2) University laptop
         3) Will remain with the traveler
         4) Business use while attending a professional conference
         5) Dates of the conference are

         * ii. To which countries are you shipping?
               - Australia
               - Austria
               - Azerbaijan
               - Bahamas
               - Bahrain

         * b. Travel outside the US by any research personnel? If the answer is yes, please attach a list of destination countries at the attachments tab on your proposal.
            - Yes
            - No

         * c. Importing, exporting, or transmitting any goods, services, technology, or funds to or from (or travelling to) any of the countries from the OFAC list (including, but not limited to Iran, North Korea, Syria, Libya, and Cuba)?
            - Yes
            - No

   c. Answer the questions regarding potential export control implications.
   d. Select “Save”.

   3. Some types of research may have export control implications even if all work is conducted within the U.S.

   Do you anticipate that the project work may involve:
   * a. Non-commercial encryption or information security software?
      - Yes
      - No

   * b. Any equipment, technology, materials or software specifically designed, modified, or adapted (even slightly) for a military purpose or that may involve national security?
      - Yes
      - No

   * c. Any classified materials, equipment, technology or data?
      - Yes
      - No
9. Complete the Special Interest tab.
   a. Indicate if the project involves the use of Human Stem Cells and the protocol number (if applicable).
      
      * 1. Are Human Stem Cells involved in this proposal?
         
         * Please indicate protocol number:
         
         55555
         
         Maximum number of characters is 1000.

   b. Indicate “Yes” or “No” to questions 2 through 6.

   c. Indicate if the proposal is to a Small Business Innovation Research Program (SBIR) or a Small Business Technology Transfer Program (STTR), and complete the additional questions (if applicable).

   d. Select “Save”.

7. Is this proposal an SBIR (Small Business Innovative Research Program) or an STTR (Small Business Technology Transfer Program)?
   
   NOTE: at least thirty percent (30%) of the work of the STTR must be performed at UC Davis.
   
   * Will you be the designated Principal Investigator for this project at the small business?
   
   If yes, please enter the following information:

   * What is your formal relationship with the small business?

   [Board of Directors] ▼
10. Complete the Additional Questions tab.
   a. Answer all required Additional Questions (indicated by a red *).
   b. Answer questions 6 and 7 if applicable.
   c. Select “Save”.

![Image of Additional Questions tab with fields]

- *1. Is this Proposal in response to a Limited Submission call?*
  - Yes
  - No

- *2. Do you anticipate having to lease new space to complete the activity described in this proposal? If so, please include in the Additional Resources on the Budget page.*
  - Yes
  - No

- *3. Does this Proposal anticipate use of a Geramendi facility?*
  - Yes
  - No

- *4. Did this Proposal benefit from RISE and/or IFHA support?*
  - Yes
  - No

- *5. Did this Proposal benefit from research generated from Academic Senate Faculty Grants (New Research Initiatives and Small Grants in Aid)?*
  - Yes
  - No

6. **Health Relatedness**
   
   Please indicate the **primary area of health relatedness that applies to your proposal**.
   
   - [ ] Human Health

7. Please select additional areas that also describe your activity (check all that apply).
   
   - [ ] Companion Animal Health
   - [ ] Food Animal Health
   - [ ] Environmental Health
   - [ ] Equine Health
   - [ ] Food Safety
   - [ ] Human Health
   - [ ] Wildlife Health
11. Complete the Location of Sponsored Activities tab. Include all locations of where work will be performed on the prime project until the total across all sections equals 100%.
   a. Under the relevant section/quadrant:
      i. Enter or select the location. For campus locations, enter the building name.
      ii. Enter the percent of work to be performed at the location and select “Add”.

   ![Campus Locations]

   If any sponsored activities occur in university owned or leased space on campus, please enter each building and the percentage of work that will be done there.

   Click Add after each entry.

   Location: Social Sciences and Humanities
   Percent of Work: 75 %   Add

   There are no Campus Locations added to the proposal.

   ![Use of ORUs, SRPs, Core Facilities, and ANR]

   Select below if proposal activities require use of or access to one or more Organized Research Units (ORU), Strategic Research Programs (SRPs), core facilities or ANR facilities (and ANR is not a subawardee). Provide the % of the project that will be physically conducted at each of these locations. If there will be no physical access or use, but the project or PI is affiliated with one or more of these unit(s), please identify these units and select 0%.

   Location: Interdisciplinary Center for Inductively-Coupled Plasma Mass Spectrometry
   Percent of Work: 25 %   Add

   There are no ORUs, SRPs, Core Facilities, or ANR resources added to this proposal.

   ![Hints and Tips]

   Do NOT include Subrecipient locations.
   a. Indicate if the Proposal Abstract may be made public within UC Davis.
   b. Enter the Abstract Details.
   c. Select “Save”.

With your permission, this abstract will be used to help match faculty researchers with potential collaborators and funding resources and to help identify expertise and areas of research interests. It may also be used to search key words in order to provide reports to UC Davis administrative offices regarding research on specific subjects.
13. Upload the applicable documents to the Proposal Attachments tab.
   
   a. Select “Choose File” to locate the document.

   ![Choose File Image]

   b. Select the document to upload and then select “Open”.

   ![Select Document Image]

   c. Select the Document Type and the select “Add”.

   ![Select Document Type Image]
d. Ensure at least the **minimum documents** required for proposal assignment are attached.

14. Review, edit and authorize the Approving Units tab.
   a. Check the Approving Units that auto-populate for accuracy.
   b. Re-order the Routing as appropriate.
      i. Move any units listed as a rollup from another unit (parent unit) after the indicated unit.
      ii. If the Admin Unit is in the School of Medicine, list “School of Medicine – 43” after all units other than “Intl Cost Sharing”.
      iii. If the Admin Unit is in the School of Veterinary Medicine, list “School of Veterinary Medicine - 50” after all units other than “Intl Cost Sharing”
      iv. If “Intl Cost Sharing” is listed, move that unit to last.
   c. Select “Authorize Unit Listing”.

**Errors on this tab will cause the IPF to get “stuck in routing” and not arrive in the Sponsored Programs office for review.** If there are any errors, review your entries on the:

- **General tab:** Admin Unit and Affiliated Unit/s
- **Investigators/Research Team tab:** Home unit of all personnel listed unless they are indicated with either the role of “Other Participant – No Routing” or “Proposal Editor”
- **Budget tab:** Internal Cost Sharing – If there is any internal cost sharing, do not list the individual unit providing the cost sharing. See the Budget tab instructions for more information.

Contact [ORCayuseHelp@ucdavis.edu](mailto:ORCayuseHelp@ucdavis.edu) for assistance if needed.
15. Complete the Submission Notes tab, if applicable.
   a. Add any notes regarding this proposal in the Notes field, such as:
      i. If you selected “Miscellaneous Sponsors” for a Sponsor or Subrecipient enter the name, address and contact information (person’s name and phone number) of Sponsor(s) or Subcontractor(s).
      ii. If a budget and/or the sponsor does not require justification, enter a note indicating this so that the IPF/proposal will be assigned to a SPO analyst for review. *Failure to upload a budget and/or budget justification and not adding this note will result in the proposal not being assigned to a SPO analyst for review.*
      iii. Note to “See 424 proposal” if a 424 proposal was created. *You will need to list your Sponsored Programs proposal analyst and AOR, if different than the proposal analyst, in the 424 Routing & Approval chain.*
      iv. If a different Primary Administrative Contact should be included for the Award phase, add a Note such as “X should be listed as the Primary Administrative Contact on the Project.” This is the person that will be contacted on Award matters.
   b. Enter the note in the text field.
   c. Select “Add Note”.

16. Select “Submit for Routing” when all required section are complete.
a. Select “Yes” when asked “Are you sure you wish to submit this Proposal Record?”.

17. Review the Approvals tab for accuracy.
   a. Ensure at least one name is listed under Authorizing Person(s) for all units.
   b. Contact ORCayuseHelp@ucdavis.edu if any errors are noticed.

Errors on this page will cause the IPF to be “stuck in routing.”

If the “Authorizing Persons” column for any unit is blank or includes “OR Cayuse Help”, email ORCayuseHelp@ucdavis.edu immediately for assistance.
Submitting an After-the-Fact Proposal

If you receive a Notice of Award for a proposal that was not submitted through Sponsored Programs, follow the steps above for Creating and Submitting Proposals with the following differences.

1. Complete the General Information tab. All of the fields indicated as required in the previous section are also required for ATF proposals.
   a. General Proposal Information
      i. Short Title: ATF [Cayuse Project Number, if known] [Assigned SPO Analyst, if known] [Project Name]
   b. Proposal Type: Select “After-the-Fact”
   c. Submission Method: Select “Paper” and provide the Sponsor’s contact information in the pop-up.
   d. Sponsor Deadline: Select a date at least seven business days from the current date.
   e. Title of Project: ATF [Cayuse Project Number, if known] [Assigned SPO Analyst, if known] [Project Name]
2. Special Interest
   a. Answer all questions as usual.
   b. Question #5: Answer “Yes” if the Sponsor provided a draft award agreement.

3. Proposal Attachments
   a. Upload the minimum documents for assignment.
   b. Upload the Notice of Award and/or draft agreement to fund the project, if applicable. Select “ATF Award” as the Document Type.
Submitting a Letter of Intent or Pre-Proposal

If a letter of intent (LOI), preliminary proposal (pre-proposal), white paper, or other similar application material requires a signature on behalf of an Authorized Representative, a budget amount, and/or requires acceptance of terms and conditions, it must route to SPO via Cayuse SP for review and approval. Note that only the lead PI must be listed on the IPF; co-PIs and other senior/key personnel need not be listed.

To submit a LOI, pre-proposal, concept paper, etc. to Sponsored Programs:

1. Start a New Proposal as in the instructions for Creating and Submitting Proposals with the following differences.
   a. General Information tab
      i. Proposal Type: Select “LOI/Preliminary Proposal”

```
* Short Project Name: 03/12/2020 Apple WCEF (internal reference name)
* Project Start Date: 05/01/2020 Clear
* Project End Date: 04/29/2022 Clear
* Activity Code: Click Here to Choose Activity Code

* Proposal Type: LOI/Preliminary Proposal

* Instrument Type: Grant

How will this proposal be submitted?

Select Submission Method: Email

Affiliated Unit(s) (if applicable): Click Here to Choose Affiliated Unit(s)

* Sponsor Deadline: 03/12/2020 Clear Time: 17:00 Pacific
  Postmark: ☐ Receipt: ☑

* Title of Project:
  Charlie's horses and apples project (Title: TBD)

Create a Paired Proposal ☐ Pair with a 424 Proposal ☐ Un-Pair with 424 Proposal

Save
```
b. Investigators/Research Team tab
   i. Add only the Lead Principal Investigator, and those needing access to edit the Proposal (Participant (no routing) or Proposal Editor) as described in as described in **Creating and Submitting Proposals**. SPO only requires the Lead Principal Investigator to be listed on the investigators/Research Team tab of the IPF for LOIs and other preliminary proposal submissions.

   *If the Lead Principal Investigator does not have Principal Investigator status, Sponsored Programs recommends requesting "**Exception to Policy on Eligibility to Undertake Sponsored Research/Other Sponsored Activity**" at this stage. However, it is not required at this stage.*

c. Complete the remaining Proposal/IPF tabs to the best of your knowledge at the LOI/pre-proposal phase. Refer the **Creating and Submitting Proposals** section for detailed instructions.

**Editing a Proposal that has been Submitted for Routing**

Once an IPF/Proposal has been Submitted for Routing, it may no longer be edited. If you need to make revisions, please follow the appropriate instructions below.

- **Revisions that require re-approval** from the IPF Approvers are:
  - Budget Cost Share, Incorrectly Applied (match/in-kind)
  - Effort Changed from Direct Charge to Cost-Share
  - Key-personnel added to the project after routing to SPO
  - Subawards added to the budget after routing to SPO
  - Incomplete IPF/Proposal (refer to **Necessary Information and Documents**)
  - Other revisions representing a significant change in commitment of departmental and/or campus resources

- **Minor revisions that do not require re-approval** from IPF Approvers include, but are not limited to:
  - Change in project title
  - Change in project dates
  - Edits to the abstract field
  - Minor budget edits
Instructions

1. Email ORCayuseHelp@ucdavis.edu and request the proposal/IPF be returned to Unsubmitted status, indicating you will need to acquire re-approval by the IPF Approvers. Provide the Lead Principal Investigator’s name and the Cayuse SP Proposal Number.

2. Once the Proposal has been moved back to Unsubmitted status, make necessary edits.

3. If the edits do not require re-approval by the IPF Authorizers, email ORCayuseHelp@ucdavis.edu or your assigned Sponsored Program analysts and inform them that the changed have been made. Do NOT submit for routing again. If Submit for Routing is selected, all IPF Approvals already obtained will need to be re-obtained.

4. If the edits require re-approval by the IPF Authorizers, select “Submit for Routing”.

3. Search for the Proposal by date created, Proposal Number, Principal Investigator’s name, Project Name, Sponsor Deadline, or your role.
4. The Proposal Status will display in the last field (to the right).
5. To view the detailed status, open the relevant Proposal by selecting the Proposal Number.

6. The status displays on the Approvals tab.

SPO analysts and others may include comments on the Notes tab regarding outstanding items.
Requesting Advance Accounts

UC Davis policy 230-06 provides Principal Investigators the opportunity to plan activities and under certain circumstances, begin a project before actual receipt of the award document. An Advance Account may be established for a project prior to receipt of award only if all of the following criteria are met:

1. There is a compelling reason to expend funds prior to receipt of award.
2. There is verbal or written confirmation to the Office of Research from the sponsor’s contract officer or grants management officer that an award is forthcoming.
3. The requested advance dates fall within the sponsor’s anticipated award period.
4. The guidelines from the sponsor do not prohibit commitment of funds before an award is fully executed.
5. Expenditures will be in accordance with the expected budget categories and limits, sponsor’s guidelines and UC Davis policies and procedures.
6. There are funds available within the department, organized research unit or college/school to cover the expenditures in the event an award fails to materialize.

At a minimum, an alternate account number to be used in the event the project is not awarded and evidence of firm commitment must be included as part of the request. Please note that all compliance items must be received before funds are released. Typically, Advance Account requests will not be approved if the project requires IRB and/or IACUC approvals that are not in place.

Instructions

1. From the Proposal Dashboard, select “My Proposals”.

2. Select “Submitted Proposals”.

3. Select the relevant Proposal Number to open the Proposal.
4. From the Attachments tab, upload the firm commitment of funding from the Sponsor, (usually an email or letter from Program Officer) and any required compliance items (i.e., IRB, IACUC, BUA, SCRO, HASTOC, 700U, 800, PHS Annual Disclosure and Training if PHS (or adopted sponsor) funded). (Note: If the Financial Conflict of Interest Disclosers were filed in the eCOI system, they do not need to be attached.)

5. From the Advance Account tab, select “Add Advance Account Request to Proposal”.

6. Complete the pop-up form.
   a. In the Description field: Provide the sponsor contact information, department account number to be changed in the event the sponsor does not fund the project, amount of request, project period for requested funds, and justification for request.
   b. Select “Submit Advance Account Request for Processing”.
Checking Advance Account Request Status

1. From the Proposal Dashboard, select “My Proposals”.

2. Select “Submitted Proposals”.

3. Select the relevant Proposal Number.

4. Go to the Advance Account tab.

5. The status will display on the list.
   a. Submitted: Awaiting the first authorization from the department and/or dean.
   b. Authorized: Authorized by the department and/or dean, if applicable, and may be assigned to analyst in SPO for review.
   c. Funded: Approved (SPO will also email you when/if the request is approved.)
   d. Deleted: Not approved or withdrawn.
   e. Rejected: Rejected by the department and/or dean.
Awards

Quick Reference

Note: Email Notifications of Awards (NOAs) you receive directly to SPO at awards@ucdavis.edu and reference the original Proposal Number and the Principal Investigator’s name.

Refer to our Awards and Award Modifications webpage for information, instructions and resources related to the awards process at UC Davis.

Submitting Award Modifications and Internal (UC Davis) Record Changes

Internal Processing Form (IPF) are required for modifications requiring approval by the department and/or dean. Such modifications include, but are not limited to:

1. Change in Principal Investigator (Note: Identify the new Lead Principal Investigator as the Lead Principal Investigator on the Investigators/Research Team tab.)
2. Change in Administrative Unit of the award (Note: Identify the new administrative unit as the administrative unit on the General Information tab.)
3. Change in cost-share commitments

Follow the steps above for Creating and Submitting Proposals with the following differences/adjustments.

1. Specific instructions for the General Information tab. (Note: Variation from Creating and Submitting Proposals)
   a. Short Title: [Cayuse SP Project #, if applicable] [Action] instead of the submission deadline (e.g., “A18-1234 Change in PI Apple USDA).
   b. Select the appropriate Proposal Type.
   c. Full Project Title: [Cayuse SP Project #, if applicable] [Action] instead of the submission deadline (e.g., “A18-1234 Change in PI Apple USDA).

2. Complete the Budget tab as follows.

Approving Proposals and Endorsing Advance Accounts

- Users with the IPF Approver role in Cayuse SP may approve Proposals in their unit.
- Users with the Pre-Award Spending Approver role may endorse Advance Account requests for Proposals in their unit.

Approving Proposals in Your Unit

1. Find and open the Proposal from the Unit Approval Inbox.

2. Determine if the Lead Principal Investigator and co-Principal Investigators certified the Proposal.
   
   *SPO will not assign the Proposal for review until the Lead Principal Investigator and co-Principal Investigators, if applicable, certify the Proposal.*
3. Select “View IPF” to review the proposal.

4. Navigate to each section/tab by selecting the links under the Item List.

5. Review the IPF as appropriate. At a minimum review the following:
   a. General Information
      i. Appropriateness of the sponsor
      ii. Accuracy of the administrative unit (related to indirect cost return)
   b. Investigators/Research Team
      i. Home unit (related to effort)
      ii. PI eligibility
      iii. Reasonableness of effort commitment
      iv. Approval of cost-shared effort
      v. Availability of key personnel to conduct the project
      vi. Sufficient funding for staff listed
   c. Budget
      i. Appropriateness of budget, including cost sharing
   d. Regulatory Compliance
      i. Human subjects, vertebrate animals and/or hazardous research materials
   e. Subrecipients
      i. Appropriateness of Subrecipients
   f. Foreign Activity
      i. Proprietary research, foreign activities, military implications or export control
   g. Special Interest
      i. Stem cells, boats, diving, HPC’s or small business involvement
   h. Additional Questions
      i. Leasing new space, benefits to proposal from UC Davis funding sources and health relatedness
   i. Location of Sponsored Activities
      i. Is the space for the project adequate and available for the full project period?
      ii. If additional space is needed, are the appropriate commitments in place?
   j. Proposal Abstract
      i. Review attachments for financial resources, space, faculty/staff time and appropriateness.
   k. Submission Notes
      i. View for any important notes.

6. Once you have reviewed the Proposal:
a. If you approve the Proposal for submission to SPO:
   i. Select “Authorize Proposal”.
   
   ![Authorize Proposal Button]

   ii. Select “Submit Authorization” if you “understand and assume the following responsibilities with respect to this proposal”.
   1. It is an appropriate activity within the Department/Center/Institute; and supports the mission of the University.
   2. That the Department/Center/Institute has agreed to provide the resources identified in this proposal.
   3. That all investigators on this proposal either have "Regular Eligibility" to be an investigator in accordance with PPM 230-02, or if they do not have "Regular Eligibility", I support their application to be a PI by Exception by my approval of this proposal and the completed PI Exception form(s) which are attached to this proposal.
   4. That in the event that the Principal Investigator does not complete any report or other obligation required as a result of an award based on this proposal, that my department will assume responsibility for completion of that obligation(s).
   5. When applicable, these resources could include cost sharing and the responsibility for reimbursement of costs to the University in the event that the sponsor is unable to pay the University for research expenses incurred during the period of performance of this project.
   6. When applicable, since the University policy mandates only full-time, permanent EPA employees may serve as principal investigator (PI); with respect to this application, I approve that this individual is eligible to serve in the role of PI despite his/her part-time employment status.

   ![Submit Authorization Form]

b. If you do not approve this proposal for submission to SPO or if corrections are needed before submission to SPO:
   i. Select “Reject Proposal”.

   ![Reject Proposal Button]
C. Enter the reason for rejecting the proposal and select “Submit Rejection”.

Endorsing Advance Accounts (Pre-Award Spending) in Your Unit

Note: Pre-Award Spending Approvers must also have Proposal Data Access to view the relevant Proposal attachments.

1. Find the Advance Account Request to review from the Advance Account Inbox and select the Project Title to download and view a PDF of the Internal Processing Form (IPF).

2. To view the relevant Proposal attachments, note the Proposal Number from the downloaded IPF and find the Proposal from the Proposals in My Unit box.
3. Go to the Attachments tab to review the documents related to the Advance Account Request. Note: This is where evidence of firm commitment from the sponsor should be saved.

4. **For SVM only; all others proceed to next step:** If you are a Pre-Award Spending Approver for a unit within the School of Veterinary Medicine (SVM) but not for the SVM Dean’s Office, enter a Note that “Advance Account Request is endorsed by the unit”. The Pre-Award Spending Approver for the SVM Dean’s Office is responsible for the remaining steps.

5. To endorse or reject the request, find the request from the Advance Account Request Inbox and select “Manage”.
6. Select “View/Print Advance Account Request” to review the Description of Assurances of Funding in the PDF to ensure necessary information were provided.
